Dan Gordon's adaptation of *Terms of Endearment*, is based on the book by Pulitzer Prize-winner Larry McMurtry and James L. Brooks' screenplay of the Oscar-winning film ... Though Emma is often exasperated by her highly-opinionated mother, Aurora, they talk every day about their problems, from Aurora finding unexpected love even as she becomes a reluctant grandmother, to Emma's struggle in her troubled marriage. But when they need one another most, will they be able to find courage in each other? This funny and touching story captures the delicate, sometimes fractured bonds between mothers and daughters, husbands and wives, and lovers, both old and new.
