**from Sunday 21 April then each Sat & Sun 10am-12 pm**

**Directed by Paul Burrell and Tricia Garson**

*'Mother And Son' sharply explored the dysfunctional family relationship of an ageing parent with increasing memory loss, and her faithful but long-suffering son helping to take care of her.*

*The original sitcom starred Ruth Cracknell as Maggie and Garry McDonald as Arthur.*

*Maggie and Arthur's story was taken from screen to stage by its creator Geoffrey Atherden in 2014 – reinvigorating an Australian icon for new audiences and long-time fans alike.*
