Ko-Ko is in a fix. He has been neglecting his job as Lord High Executioner and now the Mikado is on his way to check up on his work. Somebody must die. Preferably not him.

Get ready to meet three little maids from school, a wand'ring minstrel and the Lord High Executioner. Gilbert and Sullivan's gloriously funny Japanese fantasy is back.

What makes this show such a favourite? Perhaps it is the whimsical sets and glorious costumes. Perhaps it is the orchestral sound and the fabulous Playhouse Chorus. Maybe it is the excuse to have a grand old giggle. Whatever the reason, make sure you don't miss this great night in the theatre.
