"The Heart of Christmas" December - 1993 THE HEART OF CHRISTMAS follows from AN ENCHANTED CHRISTMAS (written by Judy Hayhoe).

THE HEART OF CHRISTMAS was written by Judy Hayhoe and Nigel Dick, musical score composed by MusicalDirector, Nigel Beyer. Both pantos were superbly presented and enthusiastically received by local audiences, thanks to this brilliant collaboration, resulting in THE HEART OF CHRISTMAS being published by Maverick Musicals. Judy said David Beynon so relished playing evil Jack Frost in the first one (AN ENCHANTED CHRISTMAS), he presented the writing team with an idea for a sequel so he could have another chance at spreading his icy charm.
