Meet our 'Les Miserables' cast...

Â

We caught up with Natalie Sweetapple who plays 'Fantine'

Â

Favourite part of the show?Â

- Working with this incredible cast and crew. The people in this show are some of the most hard working and dedicated I have ever worked with and I have had so much fun on this journey together.

Â

Favourite show you've done?

Â - 'Pirates of Penzance' at QPAC in 2015. I played one of John Woods daughters and got to dance with Andrew O'Keefe. It was challenging, fast paced and just so much fun. I was pretty star struck the entire time getting to work so closely with those amazing performers.

Â

Best show memory?

- When I sang Memory with Marina Prior in 'CATS' to an audience of thousands at the Convention Centre in Brisbane.

Â

If you could play any other character, who would it be?

- In this show, 'Madame Thenardier' because it would be so much fun and she doesnâ€™t die a horrible death ha ha.

Â

What do you hope people walk away thinking after the show?

Â - I hope that they leave the Moncrieff thinking about what talented performers we have here in Bundaberg and feeling like they witnessed something magic. They should feel proud to be a part of this community and inspired to continue supporting the arts in our region.

Â

Natalie is proudly sponsored by Catalyst Directions.

Â

'Les Miserables' is presented by the Bundaberg Players Incorporated for our 25th anniversary performance!
