'Something To Hide' 1968 - August 5 to 8

Ian Rehbein, Dr John Hamilton and Pat Faircloth
Something To Hide was directed by Robb. It was a mystery thriller set in the English country house of novelist Howard Holt (Ian) wife Karen (Pat) and his mistress Julia (Mary Hunter) who is "accidentally" killed in a car accident; blackmail, another murder, web of lies, a bumbling yet astute Det. Inspector, and fantastic shocking twist at the end. Apparently the curtain opened with Ian and Mary in the middle of a passionate kiss.
